Charity Auctions

The Sell It Now Store and No Stomach For Cancer have partnered to utilize eBay Giving Works to raise money for the purpose of supporting research and uniting the caring power of people worldwide affected by stomach cancer.

eBay is the world's leading auction sales website providing the most visibility for auction items. Through the use of this incredible tool No Stomach For Cancer and The Sell It Now Store will market donated auction items to maximize the value of each piece. The proceeds of each auction will directly support the mission of this great charitable organization.

Almost everyone has valuable items hiding in their attics, basements or garages. Those items could make a powerful influence on the future. The items that can make the most impact are those that are in demand or highly collectible in today's worldwide market. These items may also be pieces you would not expect. We urge to find these items listed and allow them to make an impact.
