SPOTLIGHT ON
STOMACH CANCER
SYMPOSIUM

LIVE EVENT
Saturday, November 11, 2017
8 a.m. to 4:40 p.m.

City of Hope
CityofHope.org
WHERE AND WHEN
November 11, 2017
Cooper Auditorium, City of Hope
1500 E. Duarte Road, Duarte, CA 91010

OBJECTIVES
- Outline the optimum treatment strategies for all stages of gastric cancer and possible alternative options.
- Assess patients who require genetic counseling for risk assessment for gastric cancer.
- Identify patients who may benefit from enrollment in a clinical trial.
- Discuss with patients effective methods of improving nutritional difficulties related to gastric cancer.
- Refer patients to appropriate supportive services for stress related to cancer.

WHO SHOULD ATTEND
This educational program is directed toward general surgeons, primary care physicians, medical oncologists, gastroenterologists, physician assistants, nurses, nurse practitioners, community members, caregivers of patients with gastric cancer and all other allied health care professionals interested in the treatment of gastric cancer.

CME CREDIT
City of Hope is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

City of Hope designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
